

<http://www.philonline.com/>

Dialup subscribers are offered the following premium services:

- All-56K Guarantee** all access concentrators have 56k digital modems.
- Telco Neutrality** the dialup pool consists of digital lines from the Top 3 Telecoms Operators; customers will always have the option to switch to another dialup number, whichever gives the best connection.
- Easy-Connect™ Guarantee** dialup pool is supplied to ensure 90% or better success rate in dialing into the service at any time of the day.
- 1800* National Roaming** access the service from different parts of the country.
- Global Dialup* Roaming** access the service from any city around the globe. A dialer is provided to users, allowing them to find a local number in a foreign city.
- Global Wi-Fi* Roaming** access in hot-spots around the globe using the roaming dialer, saving users the time from having to look for hotspot prepaid cards.
- Multiple 1GB mailboxes** accessible through all popular e-mail software, via the Web and Mobile devices.
- 50MB Web Space** each user gets an amount of personal web space, for free.
- Virus Protection** e-mails are checked for viruses even before it reaches users' mailbox.
- Spam Protection** network-based anti-spam agent; enabling the personal anti-spam feature secures our users' mailboxes against malicious e-mails at no additional cost.
