

NAME: _____

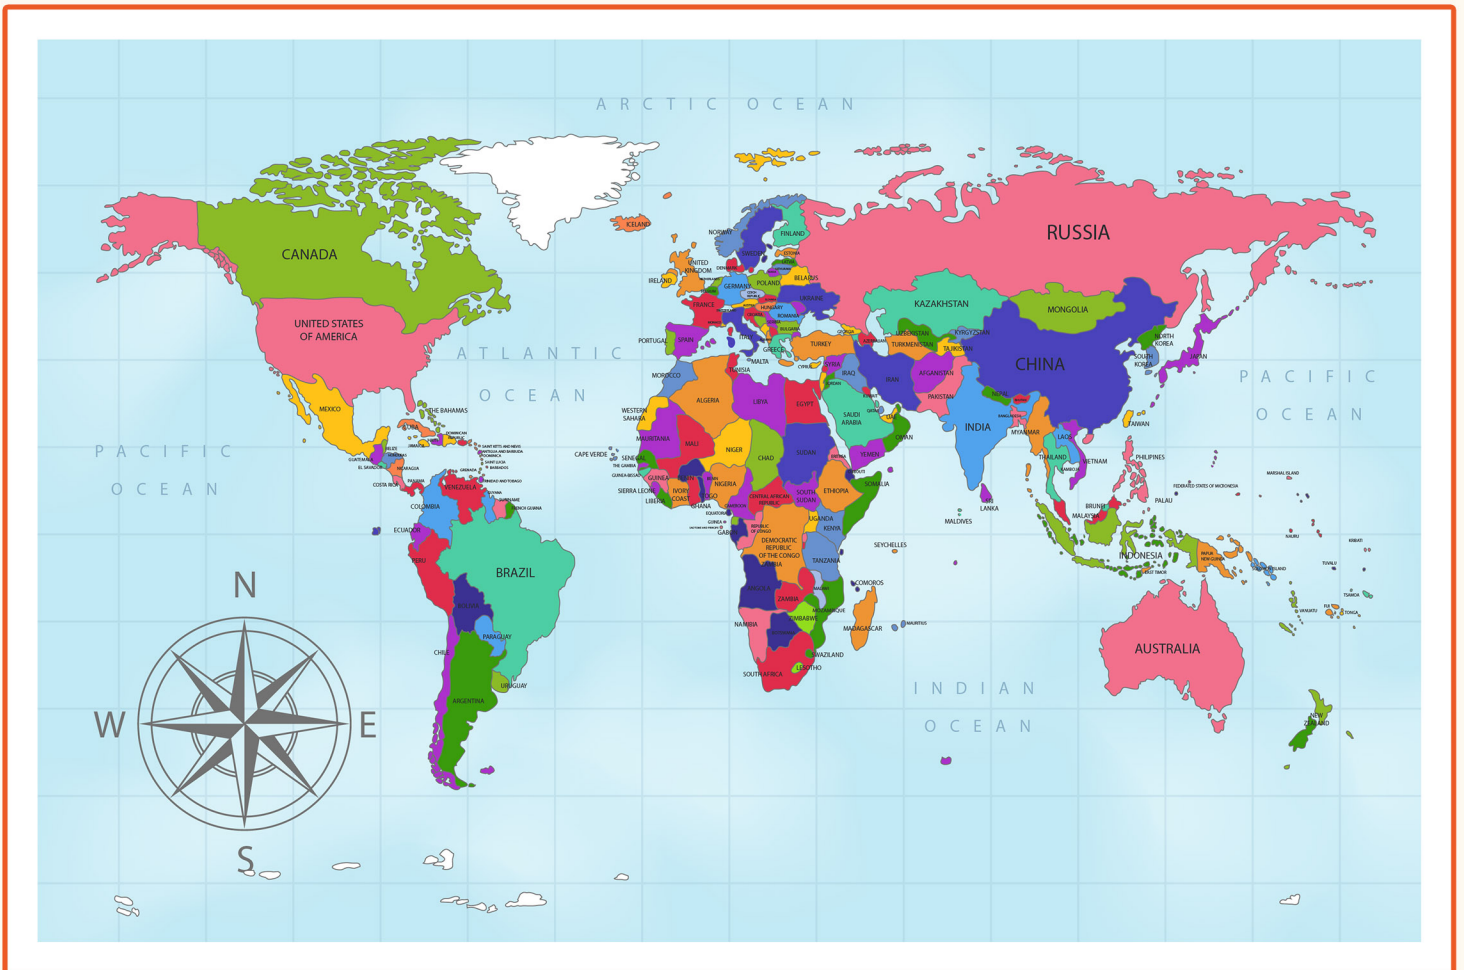

RANK: _____

Apply and Analyze

Follow each Instruction:

1. You are a migrant. To which part of the world do you wish to migrate? Mark it on the given map.

2. You are a migrant that can only use land and water transportation to reach your intended destination. With the help of the map, how will you plot your journey from the Philippines to the place you wish to migrate to. Draw lines and arrows on the map to show your plans.

3. In plotting your journey, which countries or bodies of water are you going to pass through? What do you expect to see in these places?
