# Apply and Analyze

**A. Instruction:** Observe and analyze our present society. Determine if we still have people who can be categorized into the social structure of the pre-colonial Filipino society. Group these people into the datu, timawa, or alipin classes. You can also create a new name for the present social classes of our society.

**B. Answer the following:**

1. How did you categorize our present social structure?

2. What are the kinds of people or living conditions did you put together under each category?

3. In your opinion, are there any similarities or differences between the precolonial society and the present society? Why?
